Dear Friends,

It's time to order your delicious grass-fed lamb!

If you would like to place an order, please return the attached cutting instructions via email or mail to the above address. We have a limited supply and **we will be filling orders on a "first come, first served" basis until our supply runs out**, so please get your order in early. We hope we can accommodate all requests. Your finished lamb will be ready in the fourth week of July.

Please note that the costs have gone up since last year. Lamb will cost is **\$5.00/lb hanging weight**. The hanging weight of our lambs ranges from 30 to 65 pounds. You will be billed this amount payable to **Bodega Pastures, LLC**.

This year, in order to accommodate those who prefer Willowside Meats for their butchering, we are offering you your choice. Please note your preference on the attached form.

**Bud's Custom Meats:** 7750 Petaluma Hill Rd., Penngrove, CA. 707-795-8402.

**The butcher will call you when your lamb is ready.** You will pick up your meat at the selected butcher, who will charge you for the kill and the cut and wrap. \$4.00 will be added to the cost for those who order one-half a lamb, but the cut and wrap charge will be split between the two who split the lamb. We encourage those wishing half a lamb to find someone to split it with if possible. If additional cuts are desired, additional charges may be applied.
